Sir:

A charge of \$126 has been posted on July 17, 2006 in connection with the above-identified application in a statement for deposit account No. 502486. The attorney of record for the above-identified application believes that the charge is not correct. It is believed that the charges are in response to the amendment filed on July 13, 2006 as indicated by the fee code 2202 (claims in excess of twenty). However, it is believed that no additional number of claims has been introduced to the amendment filed on July 13, 2006 and also according to the attached Fee Determination Record, no fee is required for the amendment filed on July 13, 2006. Accordingly, refund of \$126 is respectfully requested into account No. 502486.

Respectfully submitted,

JHK Law
